

LOCKNCLIMB®

Ergonomic Safety Stand for Interior Cabin Maintenance

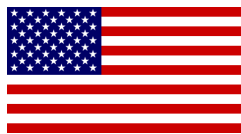

Mechanics no longer have to stand on seats or armrests to reach overhead bins or service lights and electronics.

- **Stable 15" stand for interior cabin service.**
- **Slip resistant surface helps prevent falls.**
- **Full foot support for both feet.**
- **Padded side bumpers prevent damage.**
- **Designed to fit in narrow aircraft aisles.**
- **Made of 6061 industrial aluminum.**
- **Meets OSHA and ANSI specifications.**
- **Lightweight, portable, one-piece design.**
- **Field tested and designed by mechanics.**
- **100% made by hand in the U.S.A.**

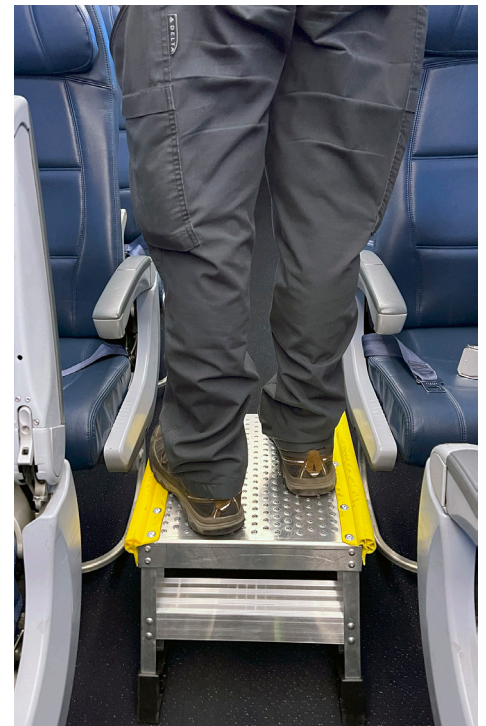

Lightweight and easily carried by one person down narrow aircraft aisles.

Made one at a time by hand in the U.S.A.
