

LOCKN-CART[®]

LOCKNCART2 Line Ladder Organization System

The LockNCart2 line ladder organization system utilizes color coding so line technicians can keep ladders where they belong on the flight line.

The LockNCart2 allows easy storage of line ladders corresponding to color-coded system.

Advantages of the LOCKNCART2

- 81" Long x 43" Wide x 68" height.
- Tubular steel construction.
- Painted durable zone-related colors
- Ladders fit neatly in their allocated compartments to prevent damage when not in use.
- Rolls easily on flat-free rubber tires.
- Small footprint allows for convenient storage.
- Holds six ladders of varying heights.
- Facilitates inventory control.
- Cart keeps ladders off the tarmac during inclement weather.
- Saves line maintenance turn-around time as ladders are at the ready.
- 100% made in the U.S.A.

Ladders can be powder coated for extra charge to correspond to gate or terminal to facilitate storage and inventory control.

Made one at a time by craftsmen in the U.S.A.
